## Obiettivo d'Investimento Dichiarato

The investment objective of the Fund is to achieve current income, and where appropriate, capital appreciation. The Fund will seek to achieve its investment objective by investing primarily in senior secured loans and, to a lesser extent, senior secured bonds issued by North American and European issuers (including those debt instruments issued by issuing entities based in offshore centres, such as the Channel Islands, Cayman Islands, Bermuda, and other offshore jurisdictions). The U.S. and European primary and secondary loan markets are "over-the-counter" markets with established standardised trading and settlement procedures, including template debt trading documents, established by market associations established by market...
