Obiettivo d'Investimento Dichiarato

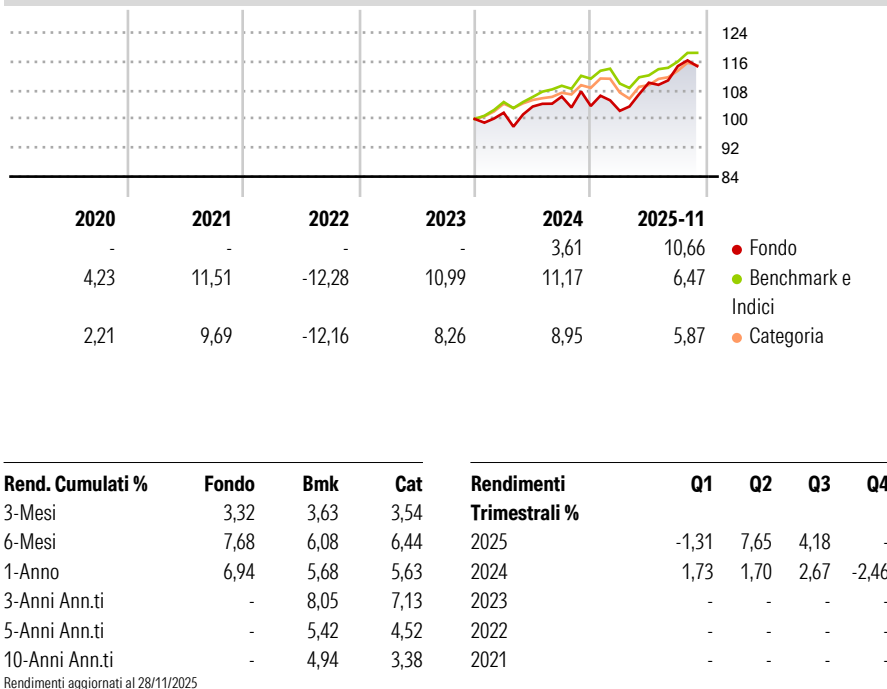

The Sub-Fund seeks long-term capital appreciation by identifying new and changing worldwide economic and investment trends and investing in assets in developed countries and Emerging Markets by taking a forward view of fundamental economic and market conditions across the globe. The asset allocation for asset classes and markets will change in line with these forward views. The Sub-Fund adopts a fully managed investment policy, varying from time to time the combination of developed countries and Emerging Market equity securities, debt and money market securities, Collective Investment Schemes and the other types of investments, both with respect to types of investments and markets, in response to changing market conditions and economic...
