Obiettivo d'Investimento Dichiarato

The Portfolio's investment objective is to achieve a return in all market conditions, primarily through investment in emerging market fixed income securities directly, or indirectly via the use of derivatives. The Portfolio will invest primarily in a diversified portfolio of fixed income securities (e.g. bonds) either directly, or indirectly via the use of derivatives. The fixed income securities will either be issued by companies which provide exposure to emerging markets or which have their registered office in emerging markets around the world or be issued or guaranteed by governments, government agencies and supranational bodies in emerging markets. There is no limit on the extent to which the Portfolio's Net Asset Value may be...
