Obiettivo d'Investimento Dichiarato

The investment objective of the Fund is to provide an absolute return with a limited correlation to market movements. The Fund seeks to achieve its objective by investing globally in equity securities, fixed income securities, instruments relating to such securities (including total return swaps, credit default swaps, interest rate swaps, currency swaps, options, futures, options on futures and forwards), shares or units of CIS, money market instruments, deposits, foreign currencies and cash, along with any other securities or instruments. The Fund will not have a geographical or sector focus but may have a high allocation to particular countries or sectors at any one time. The Fund may have exposure to both developed and emerging...
