Obiettivo d'Investimento Dichiarato

The fund aims to provide a high level of income over time. The fund invests at least 70% of its assets, in below investment grade or unrated debt securities of issuers that are headquartered or do most of their business in the Greater China region, including China, Hong Kong, Macau and Taiwan. These securities will be subject to high risk and will not be required to meet a minimum rating standard and may not be rated for creditworthiness by an internationally recognised rating agency. The fund may also invest in money market instruments on an ancillary basis. In actively managing the fund, the Investment Manager uses in-house research and investment capabilities to identify suitable opportunities across bond issuers, sectors, geographies,...
