Obiettivo d'Investimento Dichiarato

To seek to maximise total return from current income and long-term capital appreciation by investing in a diversified mix of global fixed rate and floating rate debt securities, including high income securities. The Portfolio seeks to achieve its investment objective primarily by investing in debt securities and money market instruments, including through the use of FDI, issued by governments and their agencies and corporations worldwide including within Emerging Markets. Securities will typically be dealt or traded on Recognised Markets globally without any particular focus on any one industrial sector. Securities may be rated investment grade or below by a Recognised Rating Agency.
