<b>Obiettivo d'Investimento Dichiarato</b>																																																																																																							
The investment objective of the Sub-Fund is to produce positive returns from a portfolio of credit positions (the "Portfolio") generated from a combination of interest received and trading gains. In order to pursue the investment objective, the Investment Manager will allocate capital across a number of asset classes, to gain exposure to a portfolio of predominantly developed market credit positions, with a primary focus on European exposures.
