Obiettivo d'Investimento Dichiarato

To increase the value of your investment over time. The fund mainly invests in equities and in government and corporate bonds in sectors or regions that may benefit from global thematic trends such as those arising from changes in demographics, lifestyle, technology, innovation and environmental factors. These investments may be from anywhere in the world, including China, Russia and other emerging markets. Bond investments are denominated in any currency and some may be below investment grade. The fund may invest significantly in Italian government bonds with any credit rating. The fund generally favours direct investment but may at times invest mainly through funds and derivatives.
