Categoria Morningstar™		Benchmark Morningstar		Benchmark Dichiarato		Morningstar Rating™																																																																																																										
Azionari Settore Risorse Naturali		Morningstar Global Upstream Natural Resources NR USD		MSCI ACWI Me&Mi 30% Bf 10/40 NR USD		★★★																																																																																																										
Usato nel Report																																																																																																																
Obiettivo d'Investimento Dichiarato																																																																																																																
Il Fondo punta a massimizzare il rendimento sull'investimento mediante una combinazione di crescita del capitale e reddito sugli attivi del Fondo. Il Fondo investe globalmente almeno il 70% del patrimonio complessivo in titoli azionari (quali azioni) di società operanti prevalentemente nell'attività mineraria e/o nella produzione di metalli di base e preziosi e/o di minerali.
