Obiettivo d'Investimento Dichiarato

The Fund's investment objective is to increase the value of your investment through a combination of income and growth of capital (total return). The fund invests at least 70% of total net assets in a range of below investment grade (high yield) fixed income securities, such as corporate and government bonds, issued anywhere in the world, including emerging markets. Specifically, these investments are in bonds rated lower than BBB-/Baa3 or unrated, and may include, among other fixed income securities, securitised instruments, such as asset-backed securities (ABSs) and loan assignments and participations.
