Obiettivo d'Investimento Dichiarato

The investment objective of the Fund is to achieve a combination of income and growth by investing in debt securities. The Fund aims to achieve its investment objective by investing primarily (and at all times at least 67% of its Net Asset Value (NAV)) in debt securities and debt-related securities issued by corporate issuers (including government-owned corporate issuers) with their registered office or principal place of business in an emerging market and/or which carry out the preponderance of their business activities (as determined by the Investment Manager) in an emerging market, and/or by holding companies that have the preponderance of their assets invested in corporations with their registered office in an emerging market and/or...
