

**Morningstar Rating™**  
Senza rating

The chart displays the performance of two metrics, 'Fondo' and 'Categoria', over a five-year period. The 'Fondo' metric shows a sharp increase starting in 2024, reaching approximately 155 by 2026-01. The 'Categoria' metric shows a more gradual increase, reaching approximately 125 by 2026-01. The shaded area indicates the difference between the two metrics, which widens significantly over time.
